Schindhelm RK, Diamant M, Bilo HJ, Slingerland RJ: Association of 1,5-anhydroglucitol and 2-h postprandial blood glucose in type 2 diabetic patients: response to Stettler et al. *Diabetes Care* 31:e89, 2008

In the article listed above, the e-mail address provided for the corresponding author is incorrect. Correspondence for this article should instead be sent to Roger K. Schindhelm at r.k.schindhelm@isala.nl. The online version reflects these changes.

Nathan DM, Kuenen J, Borg R, Zheng H, Schoenfeld D, Heine RJ, the A1c-Derived Average Glucose (ADAG) Study Group: Translating the A1C assay into estimated average glucose values. *Diabetes Care* 31:1473–1478, 2008

In the legend for Table 2 in the article listed above, the formula for linear regression eAG (mmol/l) is incorrect. The correct formula is as follows: $1.5944 \times A1C - 2.594$. The online version reflects these changes.
